

## Living Social Redemption on Dr. Foo's Cooking Class

I am sorry that some of you are confused about when and how to redeem your Living Social voucher for my cooking classes. Your vouchers purchased on September 29th, 2010 indicated that you MUST reserve the classes by December 31<sup>st</sup>, 2010 (withing 3 months after you purchased) for any of my classes taught through June 30<sup>th</sup>, 2011. Many of you almost miss the dead line.

**Changes:** I also **have extended the reservation expiration date** from December 31<sup>st</sup>, 2010 (per your voucher) **to March 31<sup>st</sup>, 2011** so that you have plenty of time to book the class after the Holiday Season is over. However, I suggest that you reserve your seats in advance (follow steps below) as many classes are filling up fast.

### Here how it works:

1. Please **do not call SATAY to reserve the class** as I manage my cooking class myself and the staffs do not have the knowledge of the details of my classes and schedule. Please go to my website at **www.satayusa.com**, click on Cooking Class on the home page and **pick your top 3 choices of classes and the dates** you want to take the class and email me the choices. I require a minimum of 15 guests and maximum of 30 guests per class for the class to be opened.
2. Your **voucher is worth \$75**, so, if you pick a class that is more than \$75, **you pay the difference**. Many classes have some hands on, some classes are paired with imported beer or wine, and some are paired with combination of drinks which are more expensive. **That's why the class price varies**.
3. When you email me the choices, please **include your voucher numbers** so that I can reserve the seats in the classes for you in my system.
4. You will receive the **confirmation** (mostly on first choice) from me in 48-72 hours.
5. Bring the **actual vouchers to the class with additional payment** (if applied) and enjoy the class.

**Please be advised that the vouchers do not cover gratuity for the servers who serve you food and wine/beer/cocktails/beverages and work for you during the classes.**

### Class time and location:

All classes are from **6 to 9 PM weekday** and **Noon to 3 Saturday** in the **Banquet Room or in the Patio at SATAY Restaurant**. For few classes such as "Shopping and Chopping" and "Cook Local, Ear Global" we will be meeting at the sites for learning and shopping for ingredients. I will work with you on those particular classes.
